## Party Evangelism – Easy Conversations Discussion Guide

### **Section 1**

Discuss what you applied from the last Overflow Show.

Read Matthew 28: 18-20

This is what we refer to as the Great Commission. What if helping fulfill the Great Commission were as easy as just walking across the room.

### **Section 2**

Go to [www.OverflowShow.com](http://www.OverflowShow.com) and listen to the 5 minute Podcast titled Party Evangelism.

### **Section 3**

What stood out to you as you listened?

On a scale of 1 to 10, how would you rate yourself in how easy it is for you to just walk across the room?

What are some of the rooms, or environments we might find ourselves in where we could go greet someone in this way?

What are the “circle of comfort” and the “zone of the unknown.” In what ways do you relate to these hang-ups? What are some of the other things that hang you up?

The podcast mentions that in almost everyone’s testimony there is someone who “walked across the room.” Was there a person that “walked across the room in your life?”

A couple of key questions :

-Hi I am...

-How did you hear about...

-What are you studying? How long have you been at...(school, work, club, etc.)?

-Come and meet some of my friends.

What other questions could be helpful to get you into conversation.

## **Section 4**

What do you think about Hybels' statement:

"The most Godly believer will be totally ineffective unless he gets near people who are far from God."

How could we apply these principles in the next 7 days? Go around the room and have each person name 3 areas they will be in where they can give this a try. Pray for each other and these opportunities.

The OverflowShow highly recommends the book JUST WALK ACROSS THE ROOM by Bill Hybels, from Zondervan Publishing House.
