## **Section 4**

Discuss some ways we could apply a few of these principles in the next 7 days?

*One suggestion (if needed): Develop a 3-minute version of your own personal story in the form a journey. If appropriate, include how you eventually saw the need for a guide of some sort. Then how you saw the need for a forgiver and how that impacted your life. At the end of the story, tell how you realized that the guide and forgiver was Jesus Christ and why. Practice your story on a fellow group member before next week's meeting either in person or by telephone, or better yet, tell a non-Christian friend that your assignment from your spirituality group was to write a 3 minute version of your spiritual journey to share with the group, and ask if you can practice on her.*
